Volunteer to Help Preserve and Share Our Parish & School History!

Do you enjoy history, organizing treasured memories, or discovering stories from the past?

St. John Paul II Parish is looking for volunteers to help preserve and celebrate the rich history of our churches, Bishop Leibold School, and the generations of people who have shaped our faith community.

Working alongside parish staff, volunteers will help organize, inventory, preserve, and explore meaningful ways to display historical records, photographs, artifacts, and archives.

Our goal is to protect these treasured pieces of our history while finding creative ways to share their stories with current and future generations.

No professional experience is necessary! Whether you have an interest in local history, enjoy organizing and researching, or simply have a love for our parish and school, your time and talents could make a lasting difference. Opportunities to contribute may vary based on individual interests and availability.

Interested in learning more? Please contact Steve Allaire at **sallaire@stjohnpaulii.org** by **December 15** to express your interest or learn more about this special volunteer opportunity.

Help us preserve yesterday's memories for tomorrow's generations!
